quality care is at the top of our list

We trust the doctors to decide the best health care path for patients. It's what happens when a health plan is founded by doctors. We work closely with multiple medical groups, giving our members more choice when selecting from among our network of exceptional doctors and hospitals throughout Northern California.

our medical groups

Search for doctors and facilities by using our online provider search at mywha.org/directory. Upon enrollment, members must select a primary care physician (PCP) close to home or work to allow reasonable access to care. A member's PCP is responsible for coordinating medical care. PCPs can treat most health care needs, but should a PCP determine that specialty care is needed, the member will be referred to an appropriate clinical provider. With WHA, you have access to specialists outside of your PCP's medical group with WHA's Advantage Referral program. Visit mywha.org/referral to learn more about referrals.

we offer extensive plan options

All WHA small group plans comply with the metal tiers established by the Affordable Care Act [ACA] and include the 10 Essential Health Benefits.

- These essential health benefits include services like preventive care and screenings, hospitalization and emergency services, maternity and newborn care, mental health and substance use disorder services, prescription drugs, lab services, pediatric services, and dental and vision care for kids.
- The metal-tier system designates a plan as platinum, gold, silver or bronze to help you compare options.

WHA offers employers three types of plans

- Traditional (fixed copays without reaching a deductible first)
- Deductible (fixed costs for office visits with some services needing a deductible)
- HSA-compatible high-deductible (when bundled with a health savings account, HDHPs allow members to build funds to pay for out-of-pocket expenses).

The enclosed plan comparisons are marked "Direct From WHA" and "Available in CalChoice"

- Gateway Plans are unique small group plans that can only be purchased from WHA.
- Capital Plans are small group mirror plans to those offered on the state's exchange, Covered California. These plans are available direct from WHA or through CalChoice.
- Sierra Plans are unique small group plans that are offered through CalChoice.

THIS BENEFIT COMPARISON IS INTENDED TO BE USED AS A SUMMARY ONLY. The applicable Copayment Summary and Combined Evidence of Coverage and Disclosure Form (EOC/DF) should be consulted for a detailed description of coverage benefits and limitations. PLAN BENEFIT COMPARISON NOTES

- 1 Medical or prescription services may be subject to a deductible. The member must pay for these services when services are rendered until the deductible is met in that calendar year. Charges under the deductible are based on WHA's contracted rates with the provider of service.
- 2 The annual out-of-pocket maximum is the total amount that the member must pay for certain services in a calendar year.
- 3 Generally, all non-emergency care must be accessed through your Primary Care Physician (PCP) within WHA's provider network. Obstetrical and gynecological services may be obtained directly without a PCP referral.
- 4 There may be an office visit copay if the primary purpose of a visit is not preventive or other services are provided.
- 5 See Copayment Summary for applicable prosthetic/orthotic device copayment amount.
- 6 Acupuncture and chiropractic services (when covered) are provided through Landmark Healthplan of California, Inc. Copayments for chiropractic services, if applicable, do not contribute to the deductible or medical OOP maximum.
- 7 Adult and pediatric vision benefits are provided through Vision Service Plan (VSP) and not subject to the medical deductible.
- 8 Pediatric dental services provided through Delta Dental of California. Dental plans are not subject to the medical deductible whereas, copayments contribute to the medical OOP maximum.
- 9 Certain drugs may be categorized outside their respective tier. To confirm tier level for any drug, refer to the Preferred Drug List (PDL). Oral anti-cancer drugs will not exceed \$250 for 30-day supply after deductible.
- 10 Percentage copayment amounts are based on WHA's contracted rates with the provider of service.
- 11 The deductible is waived for first three non-preventive specialty care visits.
- 12 Optional VSP Advantage vision plans are underwritten and administered by Vision Service Plan (VSP).
- 13 DeltaCare USA and Delta Dental PPO plans are underwritten and administered by Delta Dental of California.

NOTE: Plans are pending DMHC approval.
